Are you over the moon for Over The Moon? This stunning cow is quite the looker indeed. Over The Moon (or OTM for short) is a big and bold calf that boasts all of the aspects of our mission statement to a tee: she is brilliantly colored and has a beautiful roan pattern, well bodied, is already showing excellent horn potential, and has one of the boldest personalities of the herd. She is the daughter of the world champion non-haltered female OL
