This bull's genetics speak for themselves. While genetic strides can be made through AI practices, a good herd bull is essential. We're very proud to own Taxi 265/0. He is pictured here at just 16 months of age. The calves he has sired so far are nothing short of exceptional. Taxi is an own son of the awesome Cut N' Dried bull, so he has Cowboy Tuff Chex, Dragon Pearl and Field of Pearls on his sire's side. His mother is one of Darol Dickinson's
