G5 FLASH

Date of Birth: 03/25/2023 **Registration 1:** 292358

The quintessential steer, G5 FLASH is as cute as they come and definitely earned his name! He loves to frolic around the pastures, is curious about everything, and has befriended G5 HANDY MAN...they make quite the little duo in the field! We are so excited about this DBL-K LUCKY STREAK X TAXI 265/0 steer!
