We could talk about this cow all day! This is the World Champion OL Oversweet, whom we were blessed to obtain from John and Brenda Oliver; and she is the pillar of our herd. Oversweet is a direct daughter of the legendary Over Kill; and she traces back to Tabasco and Patriot BCB on her dam's side. When we think of "longhorn," this is the cow that comes to mind. Oversweet was the 2018 TLBAA World Grand Champion
